### For a picnic:

The iconic label on the 2016 Heitz Cellar Napa Valley Sauvignon Blanc (\$22.50) would be a nice sight to anyone who is into wine. Revered for its cabernet sauvignon, Heitz also does well with sauvignon blanc, and this one has refreshing notes of grapefruit, peach and citrus. It is effortless to drink on its own and would be a nice match with a variety of traditional picnic fare, let alone the great outdoors themselves.
